## Contributing to AHS by Payroll Deduction

Payroll deduction is the easiest way to contribute to Abbotsford Hospice Society.

Every payday, your contribution to AHS comes off your cheque, breaking the total annual donation into manageable chunks.  
For example, a \$100 annual donation is less than \$4 per payday.

Payroll deduction to AHS is voluntary, and can be cancelled at any time. The donation amount is recorded on your T4 for tax purposes. Your donations supports the programs and services that AHS provides to the community.

## Payroll Deduction - How to Do it

AHS payroll deduction may already be offered by your employer. Contact your payroll department to see if your employer is signed on. They'll have all the forms.

If your employer is not offering payroll deduction, you can ask to have it introduced.  
Talk to your HR/Payroll department about having your workplace signed on.
